

Winter Warm-Up

Many formerly homeless residents move into their new homes with few possessions, even the basic ones we may take for granted. Paying for rent and food leaves little money left over for other needs, such as winter clothing.

Help our residents stay warm through the cold months by donating new winter items including:

- Hats
- Gloves
- Coats (sizes L/XL only, new or gently used)

These items will go to residents in our Opportunity Housing Partnership buildings, which are home to more than 220 adults who experienced homelessness.

For more information, please contact

Aeon is a nonprofit developer, owner and manager of high-quality affordable homes in the Minneapolis/St. Paul area. Established in 1986, the award-winning nonprofit has built or renovated 1,705 apartments and townhomes, which provide stability to more than 3,000 people each year – including individuals and families with low to moderate incomes and formerly homeless individuals.

The organization's inspiration to create community assets that last for generations stems from its name "Aeon," which means "forever." Its vision is that every person has a home and is interconnected within community.
